Article 91 of the M.S.R. lays down that the charge allowance to Offrs placed in charge of the current duties of ~~another~~ other Offices in addn to their own duties, shd be fixed by Govt & shd not exceed 1/10th of the pay of the new

2 The use of the word 'Govt' in this article, has necessitated the submission of every case, even of the pettiest nature - e.g. a pillar rent. in charge of the Dy Tumasha's duties — to Govt for fixing the rate of charge allce & in almost all the cases the maximum rate is being sanctioned -

3. One point that may be observed in this connection is that an Offr who is competent to appoint another an Offl to act in a higher appt, so as to entitle him to acting all ce of 20% of the pay of the new appointment, is, no matter competent to order in charge arrangements, is powerless to sanction more than 10% of that pay, or even any allce pay, without Govt sanction. To remove this anomaly & to minimise correspce to Govt, it seems to be necessary to amend the article, by substituting the word 'Officer competent to appoint him', for the word 'Govt'—

5 Acting allce is fixed as 1/5th of the pay of the appointment. while charge allce is not so fixed. This varies according to the discretion of the sanctioning authority the maximum alone being limited to 1/10th of the pay of the appointment. If, as suggested by Br: I the sanctioning power is delegated to several authorities, there is the danger of similar cases being treated differently in different departments. and no uniform policy can be secured. As observed by the H Secretary in another connectn "the necessity of all rules may not be apparent at all times but they should nevertheless be followed"

8 When a vacancy admits of an acting arrangement, it is much better that such an arrangement should be made than that some one should be put in charge of that work in addition his own duties as it is prima facie not possible for one to discharge satisfactorily the functions of two offices. Putting a person in charge of two offices does not conduce to efficiency of both work & is to be discouraged and it is therefore that exceptional cases in which such a course is proposed should be adopted should come up to Govt - as in British India -

9 It may be noticed that for placing a person in charge of the current duties of a higher appointment without holding charge of his permanent place no sanction of Govt is necessary & it is desirable that this course should be followed in preference to placing one in charge of the current duties in addition to his own work

10 The danger referred to in para 6 is not clear. The Authority that places an Offr in charge of another's duties in addn, is the best judge to fix the percentage of charge allce to be given to him & it is his recommendations that are almost always accepted by Govt. In short vacancies, it may perhaps be undesirable on Administrative grounds, to make acting arrangemen and such arrangements are not ab generally made in practice. Apart from this question, Br II has not specifically given its opinion on the point raised — If an Amendmen of the article is deemed inexpedient the power may be safely delegated to the Rev Comr so far as the Offrs of the Rev Dept are concerned. Subd for orders.

D.S. 11 I agree that the delegation has 12/8 much to recommend it, in the interests of speedy disposal & 13.8.15 Reduction of Correspondence. The power shd be delegated to Dy Comrs.

It is unnecessary to amend the Law in question as proposed which perhaps unnecessarily complicates it. It does not seem necessary to be retained & with Non-Govt. duty - In this view, the question may be worked up separately.

34 The accompanying papers relate to the amend ment of article 91, Mysore Service Regulations. Under the article as it stands, every claim to charge allowance has to come up to Government for sanction, however trivial it may be. This involves unnecessary work and delay in the settlement of claims.

35. 2. With a view to minimise these inconvenience it is thought desirable to delegate the power of disposing of such claims to the authorities competent to place the official concerned in-charge of the appoint ment. The Financial Department accordingly propose t substitute the words "authority competent to appoint him" for "Government" occurring in line 5 of this article. The Members of Council are agreeable to the proposed amendment which may be graciously approved.
